SEASON CHAMPIONSHIP

This includes all versions of the season championship since its inception for the 2008-09 season. It was awarded until the 2022-23 season.

No title was awarded in 2020-21 due to a shortened season as a result of the COVID-19 pandemic.

The title was known as the Capital One Cup, Bonus Cup, Rogers Grand Slam Cup and Pinty's Cup.

During the 2012-13 and 2013-14 seasons, Sportsnet, which owned and operated the Grand Slam of Curling at the time, offered a $1 million bonus if a men's team swept all four events and $100,000 if a women's team swept both events.
