

EDGE by position — Women

Every player, ranked within their position by EDGE. Each seat is measured against its own bar, so a lead and a skip can be read side by side.

SHOT = traditional shot percentage, with the DRAW / HIT split from the official report • ACE = share of shots made (rated 4 or 5) • FIELD = what the tour makes on that player's mix of shots, by shot type and position • EDGE = ACE minus FIELD, in percentage points; plus is above the tour, zero is average • Pool play only •
